

DOCTORS IN HONG KONG

This list (in alphabetical order for ease of reference) is provided for the information of Australian travellers and those needing assistance in Hong Kong. Every effort has been made to ensure its accuracy, but it does not purport to be an exhaustive list. Australian citizens are urged to seek appropriate advice regarding coverage for health related costs by travel or other health insurance policies.

The Department of Foreign Affairs and Trade (DFAT) has prepared this list from information publicly available regarding medical practitioners practising in Hong Kong. By providing this information, DFAT is not endorsing any of the practitioners named in the list or making any representation as to their willingness or ability to carry out medical work. DFAT does not accept any responsibility for the quality of work performed by any practitioners on this list.
