

# DOCTORS IN MACAU

**This list (in alphabetical order for ease of reference) is provided for the information of Australian travellers and those needing assistance in Macau. Every effort has been made to ensure its accuracy, but it does not purport to be an exhaustive list. Australian citizens are urged to seek appropriate advice regarding coverage for health related costs by travel or other health insurance policies.**

**The Department of Foreign Affairs and Trade (DFAT) has prepared this list from information publicly available regarding medical practitioners practising in Macau. By providing this information, DFAT is not endorsing any of the practitioners named in the list or making any representation as to their willingness or ability to carry out medical work. DFAT does not accept any responsibility for the quality of work performed by any practitioners on this list.**

## **MEDICAL CLINICS**

The following medical clinics are provided for further reference. We understand there are some English speaking doctors employed at most of them – it will be a matter for clients to ensure that appointments made are with appropriate doctors. We also understand that some clinics have specialists available – details can be obtained when calling.
